

Official announcement on the COVID-19 Coronavirus

Dear Colleagues,

Due to the recent developments and given that the outbreak has been declared a pandemic by the World Health Organisation, **the Conference will be postponed until 21-23 July 2021.**

After careful consideration, we have come to this decision as the most responsible course of action to protect the health of everyone involved in the conference.

Please do not hesitate to contact us at secretariat@sciknow.es if you have any questions concerning the changes.

Finally, we would like to thank everyone for their support and encouragement. We look forward to meeting you all soon!

Best Regards

The Organizing Committee
